APRIL REVISION AND EXAM PREPARATION PROGRAM

Monday 1 April to Friday 5 April

The April classes are a ten-hour program that delivers specific subject revision followed by a discussion on how this material is assessed in ATAR-style exam questions. There is sufficient time within the program for teachers to model how to answer these questions successfully as well as time for students to independently practice constructing their own responses. Our teachers have significant marking experience and know what needs to be addressed to ensure student success in exams.

ACADEMIC SUPPORT

Master Classes are one hour sessions conducted once a week in term time. Each week they reteach, revise and reinforce the topics and areas of study that students are dealing with in their classes at school.

OBJECTIVES

Master Classes offer students:

- ✓ Ongoing academic support
- ✓ More confidence at school
- ✓ A better chance of success in assessments
- ✓ Individualised help solving specific problems
- ✓ Small group classes
- ✓ Subject specific study-guide booklets

A SUCCESSFUL PROGRAM

All students attending our programs report that they feel more confident in tackling their assessment at school.

Some students find it very difficult to sustain an independent study program. These Master Classes offer them a structured way to comprehensively prepare for their exams.

ABOUT OUR STUDENTS

Students from all WA schools attend our Master Classes on the CCGS campus and they all have the one objective in common: to improve their understanding of the course content and increase their success in school-based assessments and exams.
