STRUCTURE

Master Classes are one-hour weekly sessions delivered during term time. Each week they reteach, revise, and reinforce the topics and areas of study that students are dealing with in their classes at school. Master Classes offer students:

- ✓ Ongoing academic support
- ✓ Increased confidence at school
- ✓ A better chance of success in assessments
- ✓ Small group classes

A SUCCESSFUL PROGRAM

All students attending our programs report that they feel more confident in tackling their assessments at school.

Some students find it very difficult to sustain an independent study program. These Master Classes offer them a structured way to comprehensively prepare for their assessments.
